

Sister Sage's Journey

As Above, So Below

Thank you all for your interest in my new book!

Don't You Just Love Humorous Stories?

I must share in this first newsletter a funny story about writing this book.

While contractors were installing hardwood floors on the main floor of our home, which includes my office, I sat in the corner of my master bedroom, working on a folding card table with my laptop. I was excitedly typing away on my new book and had the funniest conversation with myself.

I said to myself, it would be so nice to have this book out by April 28th, 2017. After all, that is when the next Dragon's Head (North Node) goes into the sign of Leo and the Dragon's Tail (South Node) goes into the sign of Aquarius.

Oh heck no!!! Mercury goes Retrograde on April 9th,

2017. Oh yeah, that looks real smart Sister Sage, publishing and promoting an Astrology book during Mercury Retrograde. So I buckled down and moved the

planned release date forward to March 28th, 2017, and beat that date by a couple days with the book first appearing on Amazon on March 25th, 2017.

Upcoming news!

You are cordially invited to a celebration of my new book. If you have bought a book or not, please come to celebrate with us. This is all about fun, prizes, book signings, entertainment and food.

Sister Sage's Journey

As Above, So Below

Sister Sage's
Astrological
Journeys

Rhonda Schienle

Have you ever noticed particular patterns, themes or cycles in your life? This book explores these types of questions as it pertains to astrological planetary movement and alignments. These changes affect us individually, collectively and throughout the world. Our astrological charts assist us in learning what inherent characteristics, gifts, talents, etc., we are born with and how they affect other aspects of our lives.

Sister Sage

Reverend Rhonda Schienle is an Ordained Interfaith-Interspiritual Cleric and Minister. She survived breast cancer in 2007 and had a near death experience during her treatment. She received her AstroPsychology certificate in 1999 and provides readings through KarmicLaw.com.

Rhonda is a business owner, teacher, speaker, writer and entrepreneur.

As mentioned, Mercury goes retrograde on April 9th, 2017. Not the best time to start new projects. If at all possible, wait for it to go direct on to May 3rd, 2017. This is a good time to get a journal and write those dreams. During a Mercury Retrograde the conscious mind is a little more suppressed and the subconscious is a little more open.

I share information about Mercury Retrograde in my book. You can check out my website and read about it at <http://www.karmiclaw.com/Laws/Mercury/>.

We have a drawing on April 28th, 2017 at 5:00 PM US CDT to win prizes! Be sure to sign up at <http://www.karmiclaw.com/drawing/>. You can win a signed copy of *Sister Sage's Astrological Journeys*, or choose from Astrological-based Career, Natal or Compatibility reports.

If you'd like to order my book, please visit <http://www.karmiclaw.com/publishing/>.

Until next time, Safe Astrological Journeys
